

NITA McBRIDE, CPA

CFO Advisor

Nita McBride comes to Central Texas CFOs with varied accounting and finance experience; the last 16 years as the CFO/Treasurer for an ENR ranked industrial construction company with peak volume of over \$500M. As CFO, Nita was responsible for leadership of the Accounting, Treasury, IT, HR, Facilities, Licensing, Admin Services, Field Administration and Project Control functions and directed the financial reporting needs of the company related to executive management, banking, bonding and the board of directors, including independent audits. She has coordinated and developed strategic planning, budgeting and forecasting initiatives.

Nita was an integral part of several software implementations and major upgrades, the development and implementation of a Project Controls System and Field Admin program to improve the management, standardization and profitability of operating units and various in-house training programs for processes, controls and procedures. She has guided and cultivated bank and bonding relationships through both routine renewals of lines of credit during prosperous times and the negotiations of lines of credit with new banking and bonding partners during not so prosperous times. In addition, Nita has interacted with risk partners during insurance renewals and audits.

Nita assisted with the development and implementation of an Employee Stock Option Plan to transition the company from family ownership to 100% ESOP ownership and was responsible for the administration of both the ESOP and 401K plan. Her tax experience includes multistate sales and use tax reporting and audits. She has been responsible for Federal and multistate corporate income and franchise tax reporting, compliance and audits with a transition from C-corp to S-corp status. Nita has also been active in international operations set up, reporting, administration, tax, compliance and deregistration of inactive entities.

A Texas A&M University graduate, Nita holds a Bachelors of Business Administration and is a Certified Professional Accountant (CPA) and Certified Construction Industry Financial Professional (CCIFP).
